The standby power level of ≤ 1 watt occurs when the printer is in the off mode.

For more information on how the Energy Saver Mode operates, see the User Guide for your printer model:

- ColorQube 8700 Color Multifunction Printer: www.xerox.com/office/CQ8700docs
- ColorQube 8900 Color Multifunction Printer: www.xerox.com/office/CQ8900docs

Printer Take-Back Service

Xerox take-back service for products is available at:
http://www.xerox.com/downloads/usa/en/e/environment_recycle_options.pdf.

Paper Statement

This product allows use of general office paper with renewable content, paper with pre/post-consumer recycled content, and paper that is chlorine free.

The Xerox Remanufacturing Strategy

Xerox is one of the largest, and most successful remanufacturer of office supplies and products in the world. We have well-established methods for collecting and reprocessing spent print/copy cartridges, toner containers, and waste toner from our customers. Returned supply items are cleaned, inspected, and then reused/remanufactured, or recycled. Stringent performance specifications have been key to providing Xerox customers with top equipment performance and print quality, resulting in the success of Xerox's remanufacturing strategy.

Cartridge and Container Take-Back Service

Xerox take-back service for cartridges and containers is available at: www.xerox.com/environment.

Policy Statement on the Use of Non-Manufacture Cartridges and Containers

To receive the Xerox policy statement on the use of non-manufacture cartridges and non-manufacturer containers, please email usa.xerox.ehs@xerox.com or call 1-800-828-6511.

Printer Options

Printer configurations and options are documented in the User Guide. For details, see the User Guide for your printer model:

- ColorQube 8700 Color Multifunction Printer: www.xerox.com/office/CQ8700docs
- ColorQube 8900 Color Multifunction Printer: www.xerox.com/office/CQ8900docs

Automatic 2-Sided Printing

The printer can print a 2-sided document on supported paper automatically. Automatic 2-sided printing is the default setting when installed according to Xerox instructions, using the default print drivers and standard paper.
