

Requirements For iFax Sending:

1. A known working SMTP Server Address
(obtain the address from your local IT Administrator or Internet Service Provider).

Note 1: To verify a working SMTP Server please see SMTP Server Verification pamphlet.

2. An e-mail address for the machine.

Note 2: iFax feature will not be available if the e-mail address of the machine is missing.

Note 3: Internet Faxing will only be available in **Black/White**.

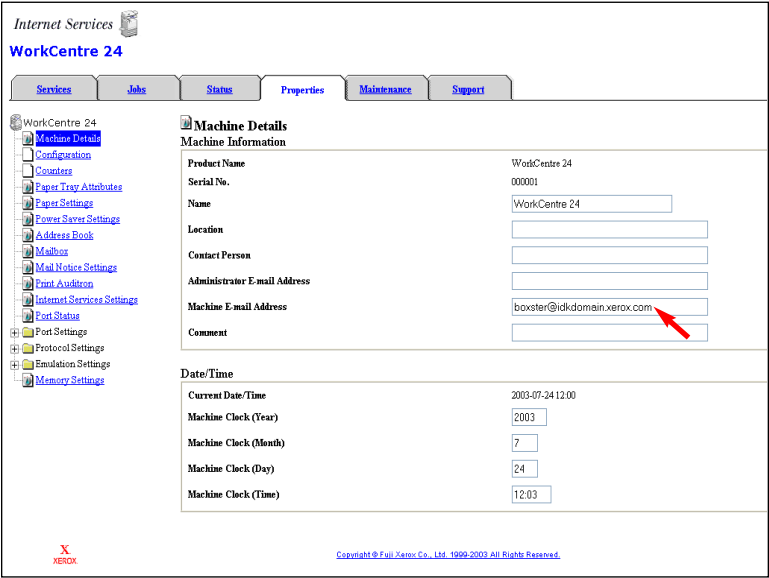

Fig. 1-2

Enter an e-mail address in the **Machine E-mail Address** field.

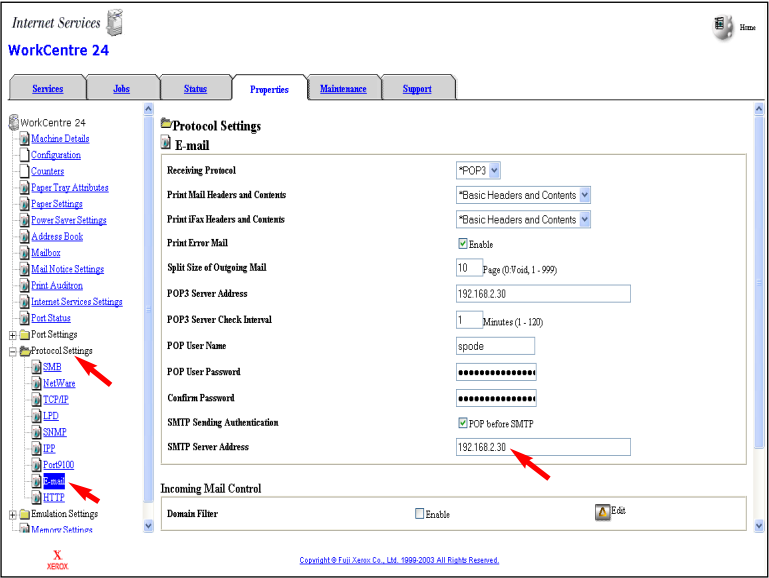

Fig. 1-4

Click on the **Protocol Settings** folder on the left hand side, click on **E-mail**. Under Protocol Settings, enter a working SMTP Server Address in the **SMTP Server Address** field.

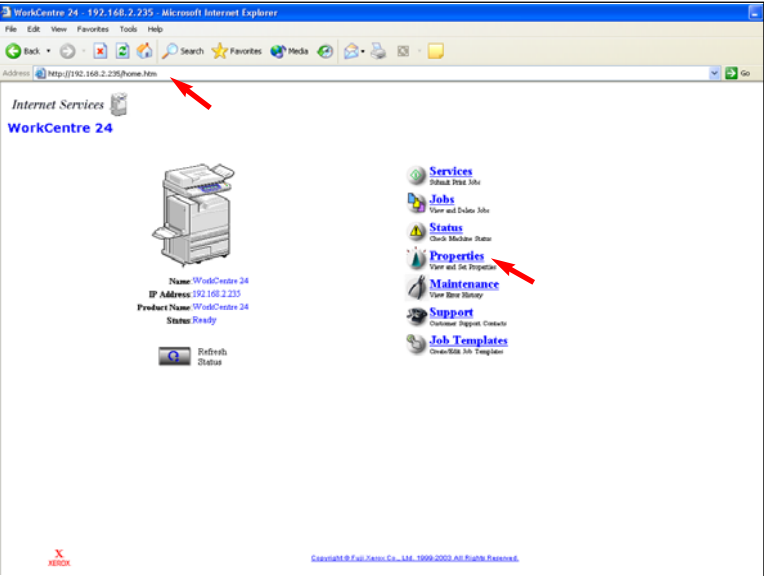

Fig. 1-1

Open an Internet browser; in the **Address** field enter the IP address of WorkCentre M24 and press **Enter**. On the Internet Services Screen click **Properties**.

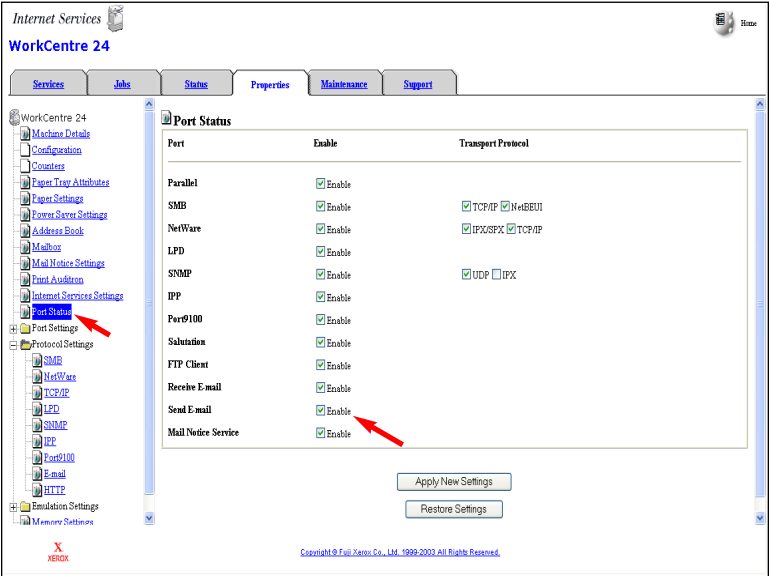

Fig. 1-3

Click on **Port Status** on the left hand side. Make sure that there is a checkmark in the **Enable** box next to **Send E-mail**.

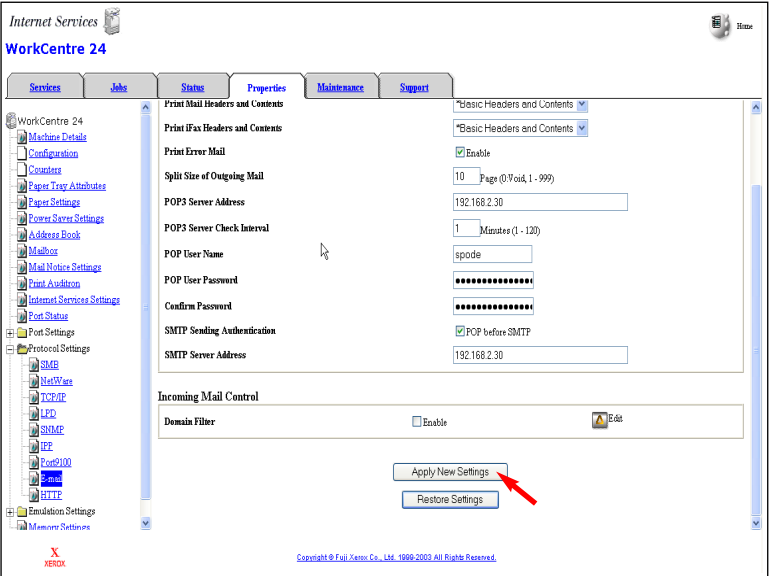

Fig. 1-5

Scroll down and click **Apply New Settings**.

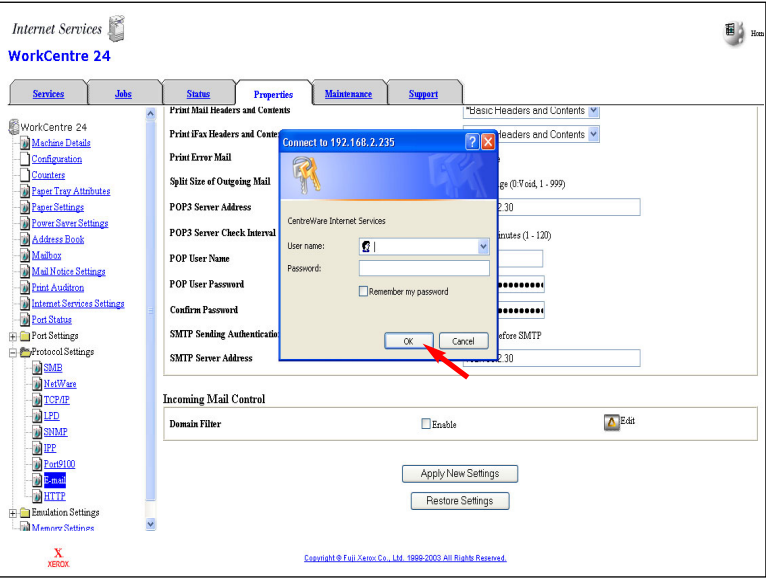

Fig. 1-6

Enter the administrator name and password of the WorkCentre M24.
Click **OK**.

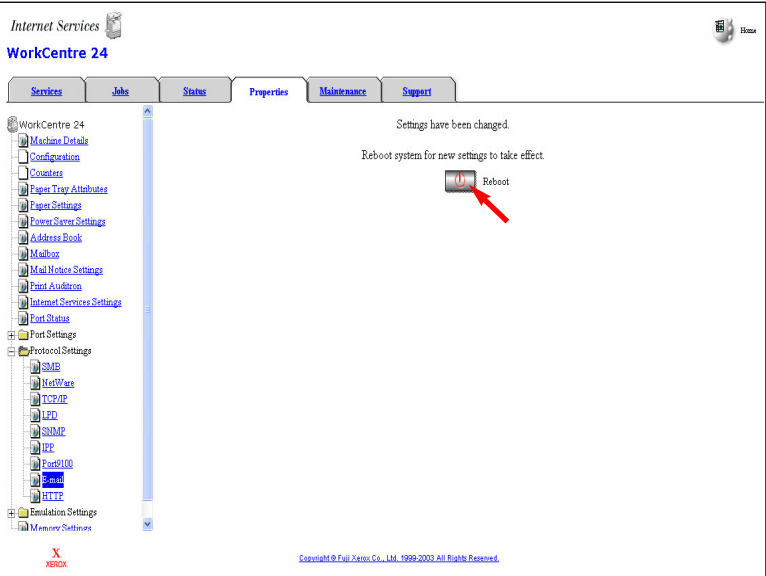

Fig. 1-7

Click **Reboot**, rebooting will take approximately 5 minutes.
Now you are ready to use iFax, please see the Internet Faxing / iFax
Part 2 of 3 pamphlet.

Quick Start Guide

Internet Faxing / iFax Part 1 of 3

WorkCentre M24

The Telephone Consumer Protection Act of 1991 makes it unlawful for any person to use a computer or other electronic device, including FAX machines, to send any message unless such message clearly contains in a margin at the top or bottom of each transmitted page or on the first page of the transmission, the date and time it is sent and an identification of the business or other entity, or other individual sending the message and the telephone number of the sending machine or such business, other entity, or individual. To enter the telephone number identifying the machine and the header text information (business name) please refer to "Entering Local Terminal Information" pamphlet Part 2 of 2. To enter date and time please refer to "Entering Local Terminal Information" pamphlet Part 1 of 2.

Fig. 2-1
